

PRINT YOUR DESIGN TRANSFER YOUR IDEA

FD1808

| Top Grade Digital DTF Printer |

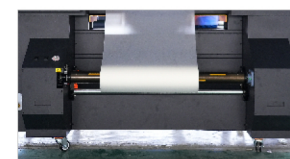

TECHNICAL PARAMETERS

Model	FD1808
Printhead	Type: EPSON I3200-A1 Quantity: 8
Print Width	800mm
Print Speed (Tested on linear printing without feather function)	Production Mode: 55m ² /h Standard Mode: 39m ² /h High Resolution Mode: 32m ² /h
Ink Type	Pigment Ink
Print Color	CMYK+W
RIP Software	Maintop, FlexiPRINT, Fiery
Transmit Port	USB3.0
Print Media	PET Film
Image Format	JPG, TIF, PDF, etc.
Computer Configuration	Computer System: WIN7 or above, Hard Disk: 500G or more, GPU: ATI Discrete GPU, RAM: 8G or more, CPU: Intel i7 Processor
Working Environment	Temp.: 15°C ~ 30°C, Humidity: 35% ~ 65%
Power	110V/220V, 50HZ/60HZ
Machine Size	Dimension: 2450*910*1745mm
Weight	N.W: 440kg

FEATURES AND ADVANTAGES

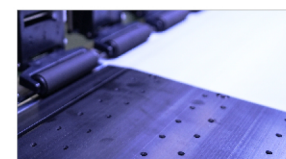

500-meter Air Shaft Unwinding and Rewinding System

Equipped with a 500-meter air shaft unwinding and rewinding system, it automatically senses material feeding, ensuring more stable paper feeding.

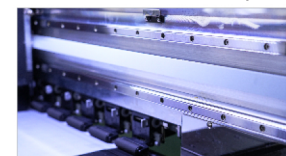

Stirring Setting of White Ink

Customize the time for white ink circulation and stirring to make the white ink more uniform and prevent sedimentation.

High Resolution Platform

Adopt a high-strength working platform with a precision of up to 0.05 millimeters, supported by multiple aluminum platforms to ensure the flatness of the platform.

Imported THK Guide Rail

Adopt imported THK guide rails, lower noise, stable movement, low wear and long service life.

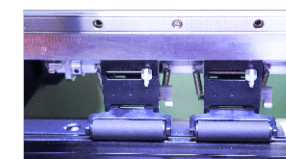

Intelligent Voltage Indicator

Configure real-time voltage display to make the work more reassuring and smoother.

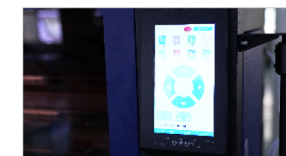

110V/220V Voltage Conversion

Machine with voltage indicator which can show input voltage any time. Support 220V and 110V transfer in any time.

Import Fluororubber Pinch Rollers

Reduce static and ink misting, ensure printing quality, and reject the outputs of media wrinkles.

Automatic Cleaning Function

The automatic cleaning function solves the problem of print head clogging during customers' holidays, this function can be operated from touch screen display configuration.
